Benefits of Package Sales (Sponsorship)

Paid Daily

Sales profit margins are earned immediately when a Reseller you sponsor purchases a First Order package.

Amount	IDR 2.750.000,-	IDR 8.250.000,-	IDR 19.250.000,-	IDR 41.250.000,-	IDR 85.250.000,-
Profit	IDR 400.000,-	IDR 1.200.000,-	IDR 2.800.000,-	IDR 6.000.000,-	IDR 12.400.000,-

If your direct Reseller upgrades the package, then you will get a profit margin from each upgraded package.

Development Advantage (Pairing)

Paid Weekly

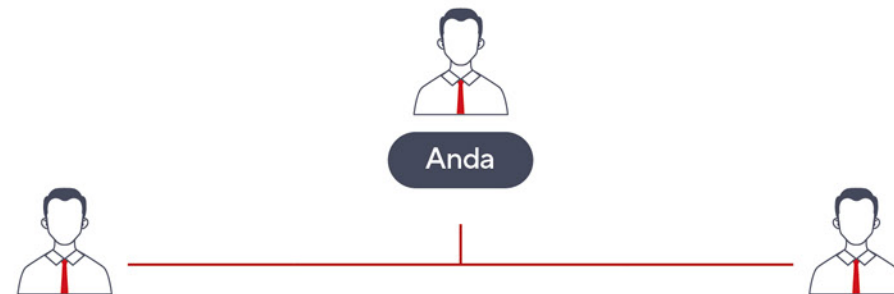

Development benefits are obtained if you successfully develop Resellers into at least 2 groups (left and right). Every time there is a turnover in the 2 installed groups, you will get an additional profit of IDR 100,000 from the price difference.

The Developer's target per day is 12 pairs, the profit is worth IDR 1,200,000 per day from 2 groups.

If there are more than 12 pairs (exceeding the daily target) then starting from the 13th pair will be counted as Overflow profit.

If someone has not gotten a pair, then the status is waiting to be paired (no points are forfeited).

The tolerance for waiting to be paired is a maximum of 500, if it exceeds this limit, it will not be counted.

Group A Product Points	+ Development Margin	Group B Product Points
1	IDR 100.000,-	1
3	IDR 300.000,-	3
7	IDR 700.000,-	7
12	IDR 1.200.000,-	12

If there is a pair of group A and Group B product points, the Reseller will get an additional profit margin of Rp 100,000 per pair, the maximum potential is up to 12 pairs every day or worth IDR 1,200,000 / day, IDR 8,400,000/ week.

Overflow Profits

Paid Weekly

Namely National / Global Profit Sharing given to Resellers who have more than 12 pairs of turnover activations per day taken from the total global turnover of PT BEST.

$$\text{Overflow} = (\text{Total Daily Pairs} - 12 \text{ pairs}) \times \text{IDR } 10,000, - \times \text{Overflow Index}$$

Suppose there are 100 pairs in your network, then the illustration:

$$\begin{aligned} \text{Overflow} &= (100 \text{ Pairs} - 12 \text{ Pairs}) \times \text{IDR } 10,000, - \times \text{Overflow Index} \\ \text{Overflow} &= (88) \times \text{IDR } 10,000, - \times \text{Overflow Index} \end{aligned}$$

Example of index 0.8: Overflow = IDR 880.000,- x 0.8 = IDR 704.000,- / day
Example of index 0.7: Overflow = IDR 880.000,- x 0.7 = IDR 616.000,- / day

For example, if there are 1000 pairs in your network, then the illustration:

$$\begin{aligned} \text{Overflow} &= (1000 \text{ pairs} - 12 \text{ pairs}) \times \text{IDR } 10,000, - \times \text{Overflow Index} \\ \text{Overflow} &= (988) \times \text{IDR } 10,000, - \times \text{Overflow Index} \end{aligned}$$

Example of index 0.8: Overflow = IDR 9.880.000 x 0.8 = IDR 7.904.000 per day
Example of index 0.7: Overflow = IDR 9.880.000 x 0.7 = IDR 6.916.000 per day

Description:

To receive monthly sales achievement benefits, all ranks are required to make personal repeat orders (RO) of at least 1 PV.

Side Volume applies if the small leg group's turnover does not reach 10% of the big leg group's points.

If Side Volume applies, Sales Achievement and Leadership Benefits will only be given partially with the calculation:

- **New Ambassador** 50% of total turnover with a minimum turnover of 7 FO points in the small leg group.
- **Star Ambassador** 50% of total turnover with a minimum turnover requirement of 15 FO points in the small leg group.
- **Big Star Ambassador** 75% of total turnover with a minimum requirement of 30 FO points in the small leg group.
- Especially for **Luxury & Champion Ambassador** will not be affected by Side Volume requirements and will still be paid 100%.

Sales Leadership Advantage (Monthly)

Sales Leadership Advantage is given to Resellers whose group rank is equalled or surpassed by the network below them so that they will lose Achievement Profit when receiving Leadership Profit from that channel. Rank difference and break are applicable, (See simulation table)

Description:

To receive monthly sales achievement benefits, all ranks are required to make personal repeat orders (RO) of at least 1 PV.

Side Volume applies if the small leg group's turnover does not reach 10% of the big leg group's points.

If Side Volume applies, Sales Achievement and Leadership Benefits will only be given partially with the calculation:

- **New Ambassador** 50% of total turnover with a minimum turnover of 7 FO points in the small leg group.
- **Star Ambassador** 50% of total turnover with a minimum turnover requirement of 15 FO points in the small leg group.
- **Big Star Ambassador** 75% of total turnover with a minimum requirement of 30 FO points in the small leg group.
- Especially for **Luxury & Champion Ambassador** will not be affected by Side Volume requirements and will still be paid 100%.

“Allah has made interest fruitless and charity fruitful. And Allah does not like any ungrateful evildoer.”
(QS. Al-Baqarah: 276)

“If you do not, then beware of a war with Allah and His Messenger! But if you repent, you may retain your principal—neither inflicting nor suffering harm.”
(QS. Al-Baqarah: 279)

“O believers! Intoxicants, gambling, idols, and drawing lots for decisions are all evil of Satan’s handiwork. So shun them so you may be successful.”
(QS. Al-Maidah: 90)

“Satan’s plan is to stir up hostility and hatred between you with intoxicants and gambling and to prevent you from remembering Allah and praying. Will you not then abstain?”
